

Shipping with UPS Canada

Authorization numbers:

There will be an Authorization Number assigned for each UPS Shipment. This **Authorization Number must be on all documentation!**

Genesco UPS Account Numbers:

The routing request online form must be filled out and sent electronically prior to receiving the UPS account numbers.

Please contact the Corporate Logistics Department at Routing@Genesco.com for UPS account numbers pertaining to Journeys division of GCO Canada, Inc.

Do not ship with insurance. Insurance must be authorized.

Tracking Numbers:

It is advised to use Genesco UPS account numbers that pertain to the Genesco divisions.

Tracking numbers must be provided when UPS shipments do not ship under Genesco UPS account numbers for the Genesco divisions.

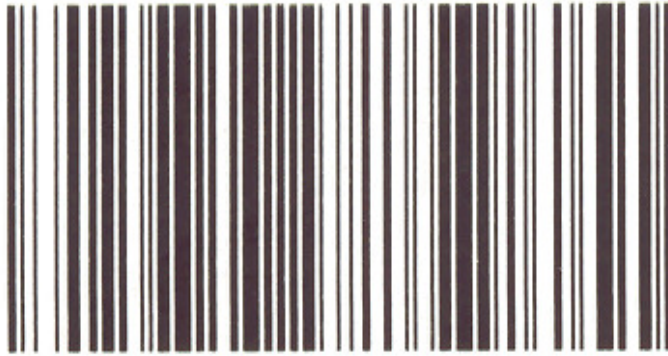

Reference Numbers:

Reference Numbers Must Be Used! In the 1st Reference Number field, enter the **Purchase Order / Authorization Number**. Example: If the Purchase Order is "700770" and the Authorization Number is "1244", enter "700770/1244." If the UPS shipment is going directly to a Store, then the **Store Number** must be entered in the 2nd Reference Number field.
